

Summer Camps 2020

Dear Players and Parents,

thank you for being patient whilst we finalise our plans for **Summer Tennis Camps** - with the ever-changing situation, it has not been possible until now to offer anything of value to you and your children.

The government guidance for providers of out-of-school activities now allows for us to offer a slightly adjusted format for tennis camps, and in order to deliver these camps and adhere to these guidelines, **there will be certain procedures and rules in place, which will be strictly implemented!**

For those of you that have been having one to one lessons, or playing with family/friends at the club lately, none of this will be new to you - but please read and absorb the information below before applying for Tennis Camps.

I apologise for the strict nature of the guidelines, but following them allows us to offer your children some sport this summer!

- *The player limit for each session has been reduced*, and the price has been adjusted accordingly. Should the government allow for larger groups, we will inform you of such, and adjust the price again to account for that.

- *There are no toilet/changing facilities* - as such, players will not have access to the toilets for any reason. We have reduced the playing time for each session to account for this, and also insist that parents of the 5-7 year old age group stay on site at all times.

- Before coming to the session, players must be wearing clean clothing, wash their hands and parents must take their temperature each day (the limit is 37.8°). *If a member of a player's household, or the player themselves is symptomatic of Covid-19, they will not be permitted to play and you should inform us.*

- *Players should bring their own full water bottles (no access to the club house for refills), hand sanitiser and rackets.* Rackets cannot be loaned (although they can be bought if needed). Players will be asked to use their hand sanitiser at certain times, before, during and after the session.

- *Parents on site must observe social distancing, ideally staying in their cars.* If you do sit/stand outside, please keep the required distance away from others. **Siblings are not permitted to wander the grounds.** The coach may ask a player to stop if parents/siblings do not adhere to this rule.

- *The waste bins are locked* - any waste the player/parent creates must be taken home. It is not advised to bring food to camp - but if you do, bring it in a bag.

- The coaches will be enforcing social distancing on court as much as is practical. **Players MUST listen well and do as the coach instructs at all times.** This is very important. If a player tests positive at any point during or after camp, we will have ensured that we/other players have not come close enough to that player to need to be identified by the Test and Trace program - which would of course mean the cancellation of all future camps.

- We will ask for payment the week before each camp - in case unforeseen changes have to be made to the format or schedule. Players may withdraw at any point without penalty should they or a household member test positive for Covid-19

The format and dates for Summer Camps are as follows:

Each week is a 3-day camp. Players attend all 3 days - players will remain in their age groups, and where possible, they will stick with the same 4-5 player bubbles throughout the camp.

Due to social distancing, there will be very little, if any, technical instruction - nothing in depth at least - all sessions will be based around *tactical/physical/mental instruction and match play*.

If you would like your child to have more technical help, please book one to one lessons.

There is a 15 minute buffer between lessons - **please collect your child promptly after their session.**

All camps are Tues/Weds/Thurs - costs are per 3 day camp

9.45-10.45am Red 5-7 year olds - Red balls, Red Courts - Limit of 10 players **Cost: £40**

11.00am-1.00pm Older Red and Orange 8-10 year olds - Orange balls and courts all 8 and 9 year olds will play in this session, as well as less experienced 10 year olds. Limit of 12 players **Cost: £70**

1.15-3.15pm More experienced 10 year olds - 14 year olds - Yellow balls in use on full court. Limit of 12 players **Cost: £70**

Note - we have eliminated guest fees for holiday camps.

Dates:

Week 1 - Tues 21st July to Thurs 23rd July

Week 2 - Tues 28th July to Thurs 30th July

Week 3 - Tues 4th August to Thurs 6th August

Week 4 - Tues 18th August to Thurs 20th August

Week 5 - Tues 25th August to Thurs 27th August

Note there will be a **3 day camp for up to 12 players from the 14-17 year old age range** on:

Tues 11th August to Thurs 13th August 11.00am-1.00pm **Cost £70**

Note, no photography of any kind is permitted by players or parents on site. Coaches may take photos/videos to use in social media/future marketing, which we will have you approve first.

To apply for camp, or for more info or clarification on the above, email Head Coach, Dave Gaterell dave@cs-ta.com
